§ 25.25 Operation of a tavern on brewery premises.

(a) *General.* A brewer desiring to operate a tavern as an alternate use of brewery premises, shall submit a Brewer's Notice, ATF F 5130.10 containing the information required by paragraph (b) of this section. If the appropriate ATF officer finds that the operation of the tavern on brewery premises will not jeopardize the revenue or impede the effective administration of this part and is not contrary to specific provisions of law, the approval of the Brewer's Notice, ATF F 5130.10 shall constitute approval of the alternate use of brewery premises, in lieu of the application required by § 25.23. As used in this section, "tavern" means a portion of brewery premises where beer is sold to consumers. Food, and/or taxpaid wine, and/or taxpaid distilled spirits may also be sold at a tavern operated on brewery premises. Taxpaid beer produced by other brewers may be received, stored and sold on brewery premises in accordance with § 25.24.

(b) *Brewer's Notice.* In preparing the Brewer's Notice, ATF F 5130.10, the applicant shall show the following information, in addition to the information required by the form:

(1) The applicant shall identify the portion of the brewery which will be operated as a tavern by providing a diagram or narrative description of the boundaries of the tavern. The diagram or description shall identify areas of the brewery which are accessible to the public and areas which are not. The applicant shall describe security measures to be used to segregate public areas from non-public areas.

(2) The applicant shall describe in detail the method to be used for measuring beer for the purposes of tax determination.
